Solo Championships Rules and Directives

1. The required dances for each competition are set out at Appendix A (Solo) and Appendix C (Teams).
2. A set dance list is no longer required and dancers who recall are responsible for advising the MC the name and speed of their set dance, from the 9 years age group and up. All set dances must be from the official list contained in this syllabus and be performed within the specified speeds (Appendix B).
3. In all championships (excepting Championship 1) competitors will dance the heavy dance first.

4. Dancers will dance 48 bars in the reel and heavy Jig, 40 bars in the slip jig and hornpipe, with the exception of the Sub Minor Championship dancers who will dance 32 bars of jig, and a Traditional Set Dance, and the 6 and Under Mixed Championships where dancers will dance 48 bars of a reel (113), and light jig (116) and single jig (124).
5. Dancers beginning to dance before or finishing after the stipulated 8 bar introduction will automatically receive a zero for that round from all adjudicators.
6. With the exception of the 6 and Under Championships, and Sub Minor 7 Years and Sub Minor 8 Years Championships, when the first two dances in any other championships have been completed the official points system will be used to place the competitors in order of merit over the two dances. On this basis, and subject to the minimum competitor requirements, a limited number of competitors will be recalled for the set dance round. A dancer who fails to complete one of the dances of the first two rounds will not appear in the recall round.
7. In all competitions only recalled competitors will perform their set dance. The number of points gained by competitors, on their overall placing in the first two dances will not, for obvious reasons, be disclosed at the recall stage - only the list of those recalled will be announced in numerical order.
8. The onus of ensuring that the stage personnel are informed of the correct metronome speed, and the correct title of the set dance, will rest with the dancer who should advise these details at the time of registration for the recall round.
9. In the case of set dances, introductions will be played only once. No variation of the speed of the music will be permitted once dancing is due to commence. Should a dancer submit an incorrect metronomic speed to the stage personnel and commence dancing at that speed, then the dancer must continue to dance at this speed as no further opportunity of tempo change will be afforded.
10. Speed for Traditional Set Dances is as per list - Appendix B.
11. In all competitions, competitors must commence their dance in the first two rounds from the designated starting points. In the set dance round a competitor may choose his/her starting point.
12. All dancers who have not been included in the recall set dance round will be invited to take part in a Step Down the Line of the solo light dance listed on the syllabus for that championship.
13. Any competitor in breach of the CLRG & AIDA Inc. rules will be subject to disqualification.

Artificial carriage aids

13. In order to maintain the health and safety of all dancers, artificial carriage aids are not permitted. All dancers lining up side stage prior to any round at any competition will be required to perform the simple exercise of raising their arms to shoulder level unhindered. If unable to do this by the time of their rotation due to costume stitching or arm attachments, these competitors will not be permitted to perform.

Make-up

14. Make-up (including false eyelashes) is not permitted for dancers, in either solo or team competitions, up to and including the Under 10 age group. Costumes and shoes

15. All forms of dance school identification, be it by sign, shape, colour-piece, logo or symbol are banned from all solo costumes worn by any competitor in any competition.
16. For heavy rounds in competitions, dancers may not wear soft shoes that have been altered with the addition of heels and tips in an attempt to turn them into hard shoes. Dancers found to be wearing such altered shoes for heavy rounds may be denied access to that round of the competition.
